### Burke and Hobbs Meeting Closes.

(From the Farmington News.)

Evangelists Burke and Hobbs concluded one of the greatest meetings of their career when the six weeks' revival under the direction of the various churches of the lead belt came to a close at Flat River last Sunday evening. The remarkable results which came from week to week and which were reported in The News continued to come right up to the final services. Almost two hundred persons, many of whom probably had been under the influence of the meetings for several weeks, were converted on that day. Sunday night's services brought the total number of conversions up to 1051. The evangelists estimated the attendance at this service at 7000 and probably as many as three thousand persons came to the meetings and then went home because of their inability to get close enough to hear the speaker. It certainly was a grand climax and a very appropriate one to the great meeting.

Much permanent good is certain to come because of the meeting and much of it is already in evidence. The new converts are showing the right spirit and are uniting with the church, the best and truest agency for moral and spiritual good. Practically all the churches of the lead belt will be benefited by the meeting by increase in membership. The Flat River churches are to continue the union meeting plan throughout the remainder of the summer and will hold a union service each Sunday evening at an airside on Main street and those who have not yet decided what church with which to unite will be given an opportunity at these services.

Revs. Burke and Hobbs left Monday afternoon for Kansas City for a short rest before beginning their meeting at Salem, Mo. Several hundred people were at the railroad station to bid them good-bye.

Contrary to reports, there was no financial guarantee to Revs. Burke and Hobbs for their engagement here, but something over \$1100 was raised for them by volunteer subscription. We understand there is an effort being made to get them at Farmington and Bismarck after their meeting at Salem.

### Isaac at Ellinsore.

(Van Buren Current Local.)

Thos. P. Fittz, (Isaac) of the Des Arc correspondence in the IRONTON REGISTER and other papers of this locality, recently visited Ellinsore on one of his trips through this section—he is a timber agent and writes for us this week the following account of his impressions of our neighboring town on his first visit there:

I made my first trip to Ellinsore on the Frisco R. R., fourteen miles west of Williamsville. This is a thriving little town; 4 stores, 3 churches, 2 hotels, 1 grist mill, 1 public school house with four teachers, 2 wagon shops and a large amount of timber and ties cut and shipped from here; one tire inspector lives here, also a grocery drummer. The merchants seem to be doing a good business. The brick hotel is first class in every respect, has several boarders besides the transient custom. I sold two orders, and expect to go there every two weeks.

I am with the Gettys Packing House, St. Louis.

### Old Woodmen Rates Stand.

The head camp of the Modern Woodmen of America took important action on rates at its Toledo session. The controversy over the advance made at Chicago had divided the order into warring factions and cost it more than 100,000 members. It was believed best to let the question rest until the operation of the Mobile bill forces action.

Woodmen had adopted the Indianapolis rates, but in fact no new table was put into effect. The head camp merely approved the existing table of rates which was to have been set aside by the head camp at Chicago. The application of the latter, however, was enjoined.

Hereafter there must be an assessment every month, with special assessments if necessary, although the insurgents wanted assessments to be levied only when necessary, permitting drafts upon the reserve fund.

The per capita tax of \$1.20 a year which is now payable semiannually, in advance in January and July, will after January 1, be levied monthly, with a 10 cent charge. Under the former system it was provided that 20 cents of the \$1.20 could be used for the Woodmen's Sanitarium at Colorado Springs. The new plan provided a special per capita of 3 cents a month for the sanitarium, leaving the \$1.20 intact from the running expenses of the order.

### Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.
